Food and/or beverages must not be taken onto the ice surface, with the exception of water.

- Short term suspension or expulsion from the club, to be determined by Board of Directors

SESSION ETIQUETTE:

- All skaters and coaches **MUST** leave the ice surface immediately upon the announcement for the commencement of the floods.

Courtesy: Courtesy is first and foremost. It is essential to respect the rights of other skaters and be aware of who is around you at all times. Right of Way: First priority is given to skaters who are skating to their solo or dance music. Second priority is given to skaters in a group lesson. Give these skaters the right of way at all times. Skaters with the right of way must also remember to keep an alert eye open to avoid collisions and may respectfully remind others of right of way (e.g. "excuse me").

- Spins should be performed at the centre of the ice surface, and jumps should be at the ends and in the corners. Do not spend most of your time in the corners. Skaters who are practicing the Lutz may not see you as they enter their jump.

- If you fall down, get up as quickly as possible. If someone falls and does not get up on their own, do not move them. Get a coach to assess the injured skater. In the meantime, have someone stand "guard" over them to make sure other skaters avoid collisions with them. When you are practicing elements like camel spins and back spirals be especially aware of the danger your exposed blade poses to other skaters.

- Take a good look at your expected "space" before you start the element, and do not proceed with the element if it looks like you could cause a problem for yourself or other skaters on the ice..

- Don't stand around on the ice to "chitchat". You interfere with and/or present a hazard to other skaters, and you are wasting your practice time. Skaters are expected to be skating at all times while on the ice. Wearing earbuds/headphones is not permitted while on the ice.

LESSONS:

- The Program Director / Head Coach / Club manager reserves the right to rearrange group lessons according to level, age and numbers of skaters. All skaters and coaches give the right of way to group lessons.

USE OF PHOTOGRAPHY OR VIDEO:

- Members grant WTSC permission to copyright, publish and/or use photographic portraits, pictures, or videos of them in which they are included in whole or part, for advertising, trade, web and multimedia or any other lawful purpose. Members waive the right to approve the finished products, for advertising, new media or printed, that might be used in connection with their images.
- Members may choose to 'opt out' of our Media policy during online registration.
